OFFICIAL INVITATION

SUBJECT: OFFICIAL INVITATION TO PARTICIPATE IN SPINOFF CONFERENCE 2026 — 5TH ANNIVERSARY EDITION

11-12 JUNE 2026 | TECH ARENA AT TECHNICAL UNIVERSITY SOFIA (1 ROSARIO STR.)

Dear Ladies and Gentlemen,

On behalf of the Organising Committee, we have the distinct honor of extending an official invitation to participate in the 5th milestone edition of the Spinoff Conference 2026, taking place on 11-12 June 2026 at the TECH ARENA at Technical University Sofia.

The Spinoff Initiative stands as a premier platform in the European innovation landscape, dedicated to translating scientific research into high-impact, scalable ventures. Celebrating its milestone 5th anniversary, this year's conference is set to gather over 400 speakers, guests, and innovation ecosystem leaders alongside more than 40 breakthrough spinoff teams, creating one of Europe's most vibrant arenas for deep-tech innovation.

Driven by a bold vision to enable the creation and growth of 500+ new spinoffs by 2030, the conference serves as a powerful engine for cross-sector collaboration. This year, the forum accelerates progress across five strategic technological pillars:

- **Health and Biotechnology;**
- **Artificial Intelligence;**
- **Microelectronics;**
- **Cybersecurity;**
- **Clean Technology.**

The conference bridges the gaps between academic excellence, market deployment, and institutional support, bringing together researchers, entrepreneurs, investors, industry leaders, clusters, and policymakers from across Europe.

Key Highlights of the 2026 Program Include:

- **High-Level Regulatory & Infrastructure Spotlights: Featuring dedicated sessions on European frameworks, including keynotes and discussions with the European Medicines Agency (EMA) and the BRAIN++ AI Factory.**
- **The PRECISEU Best Practice Recognition Ceremony: Celebrating excellence in personalized medicine, regional collaboration, and deep-tech health scale-ups.**
- **Strategic Panel Sessions: Focused tracks covering everything from advancing Europe's technological independence in microelectronics (organized by the Chips Competence Centre Bulgaria - C3BG) to implementing robust cross-border cybersecurity ecosystems.**

5TH EDITION

SPINOFF EUROPA CONFERENCE 2026

11 - 12 JUNE 2026 SOFIA, BULGARIA

REGISTER HERE

OFFICIAL INVITATION

- **The "Women in Deep Tech" Panel: Highlighted by leading voices to empower inclusive leadership and showcase best practices for high-impact innovation ecosystems.**
- **Interactive Innovation Zones & Matchmaking: Featuring live B2B matchmaking, Horizon Europe partnership sessions, the EDIH Trakia CyberTech Zone, and live spinoff showcases.**

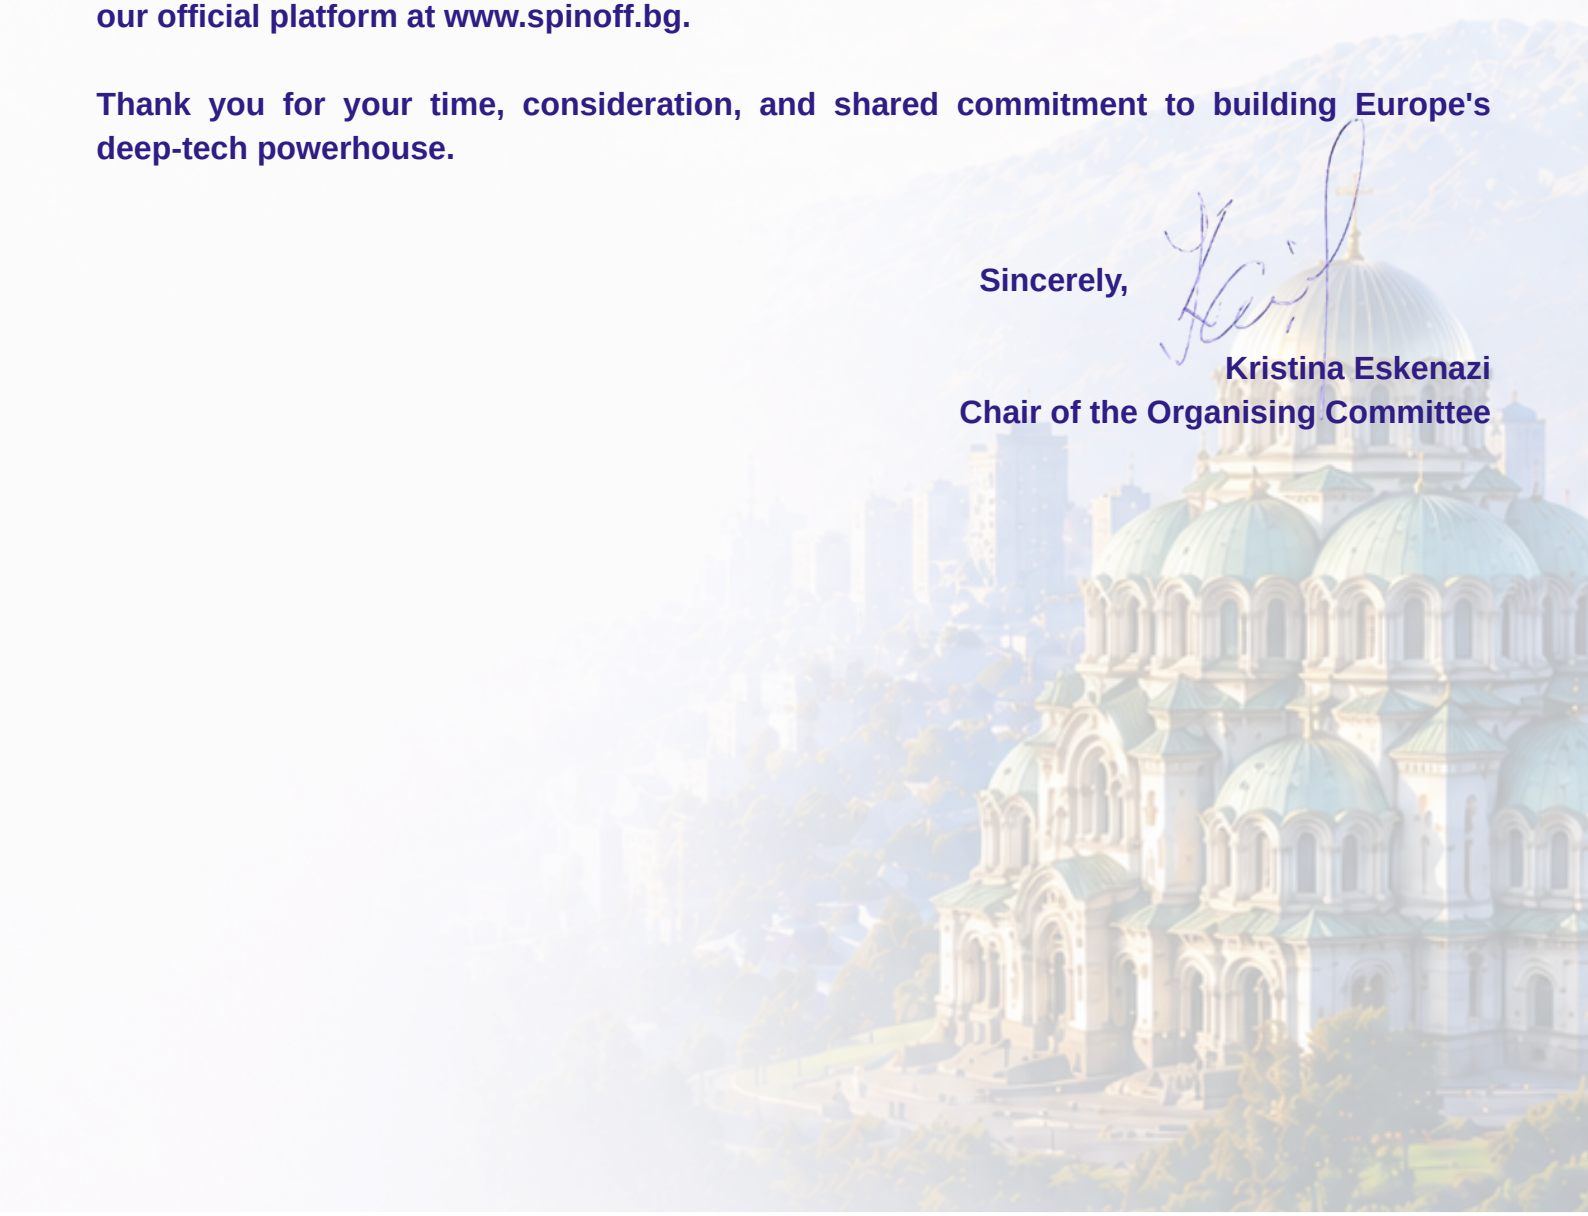

We would be delighted to welcome you to join our network of global academic, institutional, and investment partners as we collectively shape the future of science-based entrepreneurship.

Delegate registration is officially open at www.tickettailor.com/events/spinoff/1784184. For the complete event schedule, partnership opportunities, and additional details, please visit our official platform at www.spinoff.bg.

Thank you for your time, consideration, and shared commitment to building Europe's deep-tech powerhouse.

Sincerely,

Kristina Eskenazi
Chair of the Organising Committee
